# **Notice Concerning the Proposed Disposition of** Trust Beneficiary Rights in Real Estate

BLife Investment Corporation ("BLife") announces its decision today to dispose trust beneficiary rights in real estate as follows:

# Reasons for Disposition

BLife has been examining all real estate, etc. succeeded from New City Residence Investment Corporation (NCR) in correlation with the merger in terms of the medium- to long-term management efficiency of BLife's portfolio and the characteristics, etc. of the respective properties. Based on such examination, BLife, as of today, decided to dispose 2 properties (the "Disposition").

BLife also announces 102 million yen of losses on property sales (including expenses related to disposition) will result from this disposition. BLife offsets the losses on property sales with the gains on property sales on this fiscal period and announces no revision on the forecasts of distribution per unit (¥15,000) for the fiscal period ending in February 2011 (10th Fiscal Period: from Septamber 1, 2010 to February 28, 2011).
