Daiwa House REIT Investment Corporation (“DHR”) hereby announces that DHR was recognized on the Supplier Engagement Leaderboard by CDP for two consecutive years as one of the highest-rated companies in the 2021 Supplier Engagement Rating.

### 1. About CDP

CDP is a global non-profit that runs the world's environmental disclosure system for companies, cities, states and regions. Founded in 2000 and working with more than 590 investors with over \$110 trillion in assets, CDP pioneered using capital markets and corporate procurement to motivate companies to disclose their environmental impacts, and to reduce greenhouse gas emissions, safeguard water resources and protect forests. Over 14,000 organizations around the world disclosed data through CDP in 2021, including more than 13,000 companies worth over 64% of global market capitalization, and over 1,100 cities, states and regions.
