(Note 1) The above forecasts are based on current assumptions shown in the attachment, “Assumptions for Forecasts of Results for the Fiscal Periods Ending February 28, 2023 and August 31, 2023”. Actual figures may fluctuate due to factors such as the acquisition and disposition of real estate and other transactions in the future, developments in the real estate market and other factors, additional issuances of new investment units in the future and other changes in circumstances surrounding DHR. The forecasts are not a guarantee of the forecasted distribution amount.

(Note 2) DHR may revise the above forecasts in the event that results are anticipated to differ substantially from the forecasts over a certain level.

(Note 3) The anticipated net income per unit as above is calculated by dividing net income by the anticipated number of investment units as of the end of the period.

3. Reason for the revision

DHR resolved the issuance of new investment units and secondary offering of investment units at a meeting of the board of directors of DHR held on August 18, 2022 (for more details, please see the press releases “Notice Concerning Issuance of New Investment Units and Secondary Offering of Investment Units” dated August 18, 2022 and “Notice Concerning Determination of Prices and Other Conditions with Regard to Issuance of New Investment Units and Secondary Offering of Investment Units” dated August 24, 2022) and debt financing of new borrowings (for more details, please see the press release “Notice Concerning Debt Financing (Green Loan and Sustainability-Linked Syndicated Loan) and Debt Refinancing” dated August 18, 2022). Using these proceeds and its own funds, DHR planned to acquire the four properties (the “Anticipated Acquisitions”) on September 5, 2022 as described in the press release “Notice Concerning Acquisition of Trust Beneficiary Interests in Domestic Real Estate” dated August 18, 2022.

However, DHR ascertained that Nippon Logistech Corporation, which is the lessee of DPL Tsukuba Yatabe, DPL Hiroshima Kanon, and DPL Okinawa Tomigusuku I among four of the Anticipated Acquisitions, filed for the application of the Civil Rehabilitation Law to the Tokyo District Court as of August 30, 2022. Since the impact thereof was unclear, DHR decided to cancel all the acquisitions of the Anticipated Acquisitions, issuance of new investment units and secondary offering of investment units, and debt financing at a meeting of the board of directors of DHR held on August 31, 2022 (for more details, please see the press release “Notice Concerning Cancellation of Issuance of New Investment Units and Secondary Offering of Investment Units, Debt Financing and Anticipated Acquisitions” dated August 18, 2022). While the forecast of results for the fiscal periods ending February 28, 2023 and August 31, 2022 which was announced on August 18, 2022 was left unchanged in order to confirm the impact of the cancellation and other factors, DHR has reviewed the assumptions for the forecast and accordingly revised the forecast.

There are no changes to the forecast of results for the fiscal period ended August 31, 2022 (from March 1, 2022 to August 31, 2022) announced on April 15, 2022.
